SUBJECT: Pesticide Letter of Guaranty.

White Oak Frozen Foods warrants that:

All pesticides used in the production, transportation and storage of the above named crop delivered to customer/ _____ are registered under FIFRA, EPA, or by a State for a special local need pursuant to Section 24 (C) of FIFRA, and were used in compliance with their labeling, and

such crop contains no pesticide residues which are unsafe or unlawful within the meaning of Section 408 of the Federal Food, Drug and Cosmetic Act or any statute, regulation or policy of any state, or local agency regulating foods or the constituents or handling thereof, including CFR 40 part 180.

These crop(s) shall not originate from a genetically modified source, either wholly or in any part.

White Oak Frozen Foods warrants further that:

The above designated crop has been planted and grown on land that has not had industrial and /or municipal waste and/or sludge applied thereto within the last five (5) years, and shall not exceed customer/ _____ requirements for Heavy Metals, and

the above harvested crop, and food harvested therefrom, has not been exposed to, or subject to the use of any canceled pesticide or pesticides that have been designated by the Federal Environmental Protection Agency (EPA) to be under Special Review for Dietary Reasons (RPAP) and where residues have been detected. Additionally we require the avoidance of other compounds, which would reduce consumer confidence in our products. These include but are not limited to the following: Daminozide (Alar), EBDC's (Mancozeb, Maneb, Metiran, Mabam, Zineb, Amobam, Manex) and Captan.

The above designated crop shall not be exposed to any post harvest pesticide treatment.
